

FCC actions are seriously threatening our democracy. How ironic that you cite the first amendment in saying you can't stop Sinclair from using the public airwaves to let loose whatever lying propaaganda they want to foist on viewers, regardless of local stations' wishes not to carry the broadcast.

WHEN MONEY TALKS, SPEECH IS NOT FREE!!!

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

I will be sure to use all my energies to defeat the anti-democratic, oligarchic mind-set which has taken over our government.
